

Joselito Meals for Hope campaign

Buy Meals of Hope for \$12.00 each. *Order as many as you want!*

Many of our customers have offered to purchase meals for frontline workers and people in need. *We have heard you!*

We are happy to partner with [Toast & Taste](#) to send “Meals of Hope” to our local doctors, nurses, homeless shelters and other charities in need of a free meal.

All meals donated will be delivered to our local charities weekly and each week we will be serving different menus, as for example:

Pollo asado con ensalada

Quarter of roasted chicken with salad

Filete de ternera y pure de patatas

Grilled beef hanger steak and mashed potatoes

Pargo a la plancha con pimientos asados

Pan fried red snapper with roasted peppers

You can check some of the charities we are working with in this link:
